Report on Painting Competition as part of ongoing 80th Independence Day Celebrations

05.08.2026

A vibrant Painting Competition was successfully organized at the Government Degree College (GDC) Sumbal as part of the ongoing nationwide 80th Independence Day Celebrations.

The mega event was conducted under the patronage of the College Principal, Prof. (Dr.) Shabeena Iqbal Shawl. The collaborative initiative was jointly organized by the college's NCC unit, NSS wing and the Nasha Mukta Bharat Abhiyaan (NMBA) committee, beautifully merging artistic expression with national pride and civic duty.

The central theme of the competition, "**Depicting Important Events of the Freedom Struggle**," required students to explore India's rich revolutionary history. The participants displayed profound historical awareness and maturity, bringing crucial historical milestones to life on their canvases.

Student artists, including NSS volunteers and NCC cadets, showcased their artistic talent using diverse mediums like watercolors, poster paints and sketches.

While focusing on historical freedom, the involvement of the NMBA committee added a layer of modern responsibility—inspiring students to fight against contemporary social evils like substance abuse to build a truly free and healthy society.

The campus resonated with patriotic energy as the artwork effectively served as a visual tribute to the nation's freedom fighters.

The program concluded with a formal evaluation of the paintings by an internal panel of judges, followed by the distribution of certificates to the participants.
